Weekly Summary cont'd

From Dzhulfa into Iran: Six exchange trains imported 879,016 kilos of granulated sugar; 120 tons of sugar.

From Iran to Dzhulfa: 49,647 kilos of shelled almonds.

Kaakhka to Ashkhabad: 84 trains (both directions)²

- 25X1
1. [REDACTED] Comment: On the original notes the first part of this sentence read nine passenger trains composed of 15 cars, and one freight train. We believe this is a misprint, as it has been traditionally two passenger trains composed of 14 or 15 cars.
- 25X1
2. [REDACTED] Comment: For the most part, ammunition and explosives are transported from Kaakhka to Ashkhabad.
